

Youth Services Division:

Youth Program Consulting Services

CBB's Youth Services Division provides business consulting services to start-up and existing operational businesses within the human services profession that have a specific focus on youth programs. CBB offers consulting services to address:

- Youth program creation
- Youth program implementation
- Youth program outcomes evaluation
- Youth program service delivery
- Youth program assessment
- Youth program intervention strategies
- Employee development
- Psychiatric Rehabilitation for minors
- Program Compliance & COMAR for youth programs

*****CBB is always striving to offer its customers the most innovative services to fit your business needs. Please feel free to contact us if you have any questions about the consultation services that we provide. Our consultation services are evolving to include more services to meet the human service industry needs*****
